International Women's Day Signature Luncheon

11 am - 1 pm

Hilton Downtown, Ballroom

Welcome!

Marked annually on March 8th, International Women's Day (IWD) is an annual global day celebrating women's social, economic, cultural, and political achievements. The IWD 2024 #InspireInclusion campaign aims to collectively forge a more inclusive world for women. When we inspire others to understand and value women's inclusion, we forge a better world.

When women themselves are inspired to be included, there's a sense of belonging, relevance, and empowerment. On an individual basis, it's important to understand, value, and seek out the inclusion of women and girls. Additionally, sharing this knowledge, support, and encouragement with others is key. This year we are committed to the idea that everyone has an important story to tell and that everyone's story matters.
